product launch · november 2026

r1 dock

a place for r1 to rest, charge and keep watch.

rabbit™

three jobs, one block

01

charge

drop r1 in, no cable hunting. full in 55 minutes.

02

stand

a 12° tilt keeps the screen readable from a desk chair or a pillow.

03

keep watch

docked, r1 shows one ambient card: clock, alarm, weather or a timer.

r1 dock · 02

bedside mode

screen dims to 5%, camera stays tucked away, push-to-talk still works. say the alarm, don't set it.

rabbit™
